**Lloyd Croft** - \$100 to Semper's Injured Veterans' Fund in memory of David Croft, Lloyd's brother

Hi,

I do not think I sent a Thank You to the class for the Semper Fi Fund contribution in memory of David. My family and I want to thank the class for the Semper Fi fund contribution in memory of my brother David. Words cannot express how much this means to us.

His name is now listed in the Memory Contributions for 2009 on the Semper Fi Fund website. A recently retired Marine Corps Colonel

who was a very close friend of David sends his thanks on behalf of the USMC and the wounded Marines and their families, and the families of deceased Marines who benefit from the Semper Fi Fund.

Dear Class,

I would like to express my appreciation for the beautiful arrangement of green plants that you sent me when my niece passed away. I will always remember my classmates when I look at them.

I would also like to thank everyone for the cards that were sent to me. They meant so much.

Thank you for the prayers given on behalf of my niece, Grace Ann, and my entire family.

I am so glad that our class has such a close relationship with each other.

Again I really do appreciate your thoughtfulness and concern.

### European Plant Garden to **Elaine Folds Jacob's** Family

Dear Class of 1964,

Thank you so very much for remembering Elaine with such a beautiful arrangement of flowers. She loved pretty flowers. She loved each of you and loved life.

She was special to us and we will miss her very much. Our comfort is in knowing that she is no longer sick and in pain. I'm sure she is smiling on us now.

Love,

Buddy, Mama & Siblings, Susan & Family, Larry

Plant to **Jane Fendley Bodrey** in memory of loss of her Mother

Please let everyone know how special the flowers from our class are to me.

It is such a beautiful plant arrangement with white and pink roses. Mama loved roses so much.

At this heartbreaking time in my life it's so good to know you are there with your love and support.

I would not be doing as well as I am without God's love and without knowing that my Mama is with Him in Heaven

God Bless You All

Jane Fendley Bodrey

Thank you so much for the flowers. My Dad spent his last few months enjoying your website and re-living the names, faces, and memories he had not thought of in a long time.

Dear Irene,

The Brown Family would like to thank you and all the classmates for the kindness you showed us during our loss of our loved one (Stuard). The plant was so pretty. I hope some of his classmates went to see him in the Nursing Home. He had been a sick man for ten years, but the last 2 were worse.

He loved his classmates and ball. He sure will be missed.

May God richly bless you and all his classmates.

Please pass this note on to them. Thanks!
