## Amazing Grace - Key: G

G C G D7  
Amazing Grace, how sweet the sound, That saved someone like me.  
G C G D7 G  
I once was lost but now am found, Was blind, but now I see.

T'was Grace that taught my heart to fear. And Grace, my fears relieved.

How precious did that Grace appear The hour I first believed.

Through many dangers, toils and snares I have already come;  
'Tis Grace that brought me safe thus far and Grace will lead me home.

The Lord has promised good to me. His word my hope secures.  
He will my shield and portion be, As long as life endures.

Yea, when this flesh and heart shall fail, And mortal life shall cease,  
I shall possess within the veil, A life of joy and peace.

When we've been here ten thousand years Bright shining as the sun.  
We've no less days to sing God's praise Than when we've first begun.

# Angel Band - Key: G

Traditional

## Verse

My lat - est sun is sink - ing fast. My race is near - ly run.  
My strong - est tri - als now - - are past. - My - tri - umph has be - gun.

## Chorus

O, come, An - - gel Band. Come and a - - round me stand.  
O, bear me a - way on your snow white wings to my im - mor - tal home.  
O, bear me a - way on your snow white wings to my im - mor - tal home.

G C G G D7 G  
My latest sun is sinking fast, My race is nearly run  
G C G G D7 G  
My longest trials now are past, My triumph has be-gun

## Chorus

D7 G D7 G  
Oh come Angel Band, Come and around me stand  
C G D G  
Bear me away on your snow white wings To my im-mortal home  
C G D G  
Bear me away on you snow white wings To my im-mortal home

Oh bear my longing soul to him, Who bled and died for me  
Whose blood now cleanses from all sins, And brings me victory

I know I'm near the holy ranks, Of friends and kindred dear  
I brush the dew on Jordan's banks, The crossing must be near

I've almost gained my heavenly home, My spirit loudly sings  
The holy ones, behold they come, I hear the noise of wings

## Blue Ridge Cabin Home - Key: A

(capo 2 and play G chords)

[G] [C]  
There's a well beaten path in the old mountain-side,  
[D] [G]  
Where I wandered when I was a lad.  
[G] [C]  
And I wandered alone to the place I call home,  
[D] [G]  
In those Blue Ridge hills far a-way.

[G] [C]  
Oh I love those hills of old Vir-ginia,  
[D] [G]  
From those Blue Ridge hills I did roam.  
[G] [C]  
When I die won't you bury me on the mountain,  
[D] [G]  
Far a-way near my Blue Ridge mountain home.

Now my thoughts wander back to that ramshackle shack,  
In those blue ridge hills far away.  
Where my mother and dad were laid there to rest,  
They are sleeping in peace together there.

I return to that old cabin home with the sigh,  
I've been longing for days gone by.  
When I die won't you bury me on that old mountain side,  
Make my resting place upon the hills so high.

## Dooley - Key: G

G C G D7  
Dooley was a good old man, he lived below the hill,  
G C G D7 G  
Dooley had two daughters and a 40 gallon still.  
G C G D7  
One gal watched the boiler, the other watched the spout,  
G C G D7 G  
And Mama corked the bottles when old Dooley fetched them out.

### Chorus:

G C  
Dooley, slippin' up the holler, Dooley, tryin' to make a dollar,  
G D7 G  
Dooley, Gimme a little swaller and I'll pay you back some day.

Now revenueers came for him, a slippin' through the woods,  
Dooley kept behind them all and never lost his goods.  
Dooley was a trader, when into town he come,  
Sugar by the bushel and molasses by the ton.

Dooley has a brother, he lives in Tennessee,  
He's got as face of whiskers and he's mean as he can be.  
Dooley has a sister, she lives in Mississip,  
She's pretty as a picture from her toes up to her lip.

When Dooley goes a dancin', he jigs the whole night long,  
And when he's through with dancing, he busts right out in song.  
He sings about that Old Joe Clark, he sings of Rosa Lee,  
And when he's finished singing, he gets as drunk as he can be.

I remember very well the day old Dooley died,  
The women folk looked sorry and the men stood round and cried.  
Now Dooley's on the mountain, he lies there all alone,  
They put a jug beside him and a barrel for his stone.

## Farther Along - Key: A

**A**                    **D**    **D7**    **G**                    **D**  
Tempted and tried we're often made to wonder,  
**G**                    **D** **Bm**   **E**                    **A**    **A7**  
Why it should be thus all the day long.  
                                 **D** **D7**    **G**                    **D**  
While there are others living about us,  
**G**                    **D** **Bm**   **A**                    **D**    **G** **D/F#** **Em** **D**  
Never molested though in the wrong.

**A7**                    **D**    **D7**    **G**                    **D**  
Farther along we'll know all about it.  
**G**                    **D**    **Bm**    **E**                    **A**    **A7**  
Farther along we'll understand why.  
                                 **D** **D7**    **G**                    **D**  
Cheer up my brother, live in the sunshine,  
**G**                    **D**    **Bm**   **A**                    **D**    **G** **D/F#** **Em** **D**  
We'll understand it all by and by.

When death has come and taken our loved ones  
Leaving our homes so lonely and drear  
Then do we wonder how others prosper  
Living so wicked year after year

Farther along we'll know more about it  
Farther along we'll understand why  
Cheer up my brother live in the sunshine  
We'll understand it all by and by

## I'll Fly Away

A Brumley (1932)

VERSES

CHORUS

Some glad morning when this life is o'er, I'll fly away.  
To a home on God's celestial shore, I'll fly away (I'll fly away).

[Chorus]

I'll fly away, Oh Glory, I'll fly away; (in the morning)  
When I die, Hallelujah, by and by, I'll fly away .

When the shadows of this life have gone, I'll fly away.  
Like a bird from prison bars has flown, I'll fly away (I'll fly away)

Just a few more weary days and then, I'll fly away.  
To a land where joy shall never end, I'll fly away (I'll fly away)

## John Hardy Was A Desperate Little Man - Key: A

[A] John [D] Hardy was a [A] desperate little man,  
he [D] carried two guns every [A] day.  
He [D] shot a man on the [A] West Virginia line,  
and you oughta seen John [E] Hardy getting [A] away.

John Hardy, he got to the East Stone Bridge,  
he thought that he would be free.  
And up stepped a man and took him by the arm,  
saying, "Johnny, walk along with me !"

He sent for his poppy and his mommy, too,  
to come to go his bail.  
But money wont go a murdering case,  
and they locked John Hardy back in jail.

John Hardy, he had a pretty little girl,  
the dress that she wore was blue,  
as she came skipping through the old jail hall,  
saying, "Poppy, I've been true to you!"

John Hardy, he had another little girl,  
the dress that she wore was red.  
She followed John Hardy to the hanging ground,  
saying Poppy, "I would rather be dead !"

I've been to the East, and I've been to the West ,  
I've been this wide world around,  
I've been to the river and I've been baptized,  
and now I'm on my hanging ground.

John Hardy walked out on his scaffold high,  
with his loving little wife by his side.  
And the last word she heard poor John-o say,  
"I'll meet you in that sweet bye and bye. "

## Keep On The Sunny Side Of Life - Key: G

♩ = 100

D G D7 G D7

G D7 G

G C G D7

C G Am D7 G D7 G

There's a dark and a troubled side of life,  
There's a bright, there's a sunny side, too.  
Tho' we meet with the darkness and strife  
The sunny side we also may view.

Chorus:

Keep on the sunny side, always on the sunny side,  
Keep on the sunny side of life.  
It will help us ev'ry day, it will brighten all the way,  
If we'll keep on the sunny side of life.

The storm and its fury broke today,  
Crushing hopes that we cherish so dear;  
Clouds and storms will, in time, pass away,  
The sun again will shine bright and clear.

Chorus:

Let us greet with the song of hope each day,  
Tho' the moment be cloudy or fair.  
Let us trust in our Savior away,  
Who keepeth everyone in His care.

# Old Joe Clark – Key: A

## Old Joe Clark

*Trad. (USA, South)*

♩ = 200

A E A G A

Old Joe Clarke's a mean old man, Mean as he can be,  
Knocked me down with his right hand, Walked all over me.

He puts his banjoe in my hands, And tells me what to play,  
Dances with my pretty little girl, till the break of day.

Get out the way Old Joe Clark, Hide that jug of wine,  
Get out the way Old Joe Clark, You're no friend of mine.

When Old Joe Clarke comes to my door,  
He treats me like a pup,  
He runs my bearded dogs under the floor,  
and drinks my whiskey up.

Old Joe Clark was a married man,  
His wife was ten feet tall  
And when her head was in the bed,  
Her feet were in the hall

Old Joe Clark had a yellow cat, Would neither sing nor pray.  
Stuck her head in a buttermilk jar, And washed her sins away

Old Joe Clark he did take sick, And what do ya think ailed him?  
He drank a churn of butter milk, And then his stomach failed him.

## Redwing – Key: G

Redwing

*Swedish*

Chords: G, C, G, C, G, 1 A D, 2 A D7 G, C, G, D7, G, C, G, D7, D, G

There once was an Indian maid,  
A shy little prairie maid,  
Who sang a lay, a love song gay,  
As on the plain she'd while away the day;

She loved a warrior bold,  
This shy little maid of old,  
But brave and gay, he rode one day  
To battle far away.

Now, the moon shines tonight on pretty Red Wing  
The breeze is sighing, the night bird's crying,  
For afar 'neath his star her brave is sleeping,  
While Red Wing's weeping her heart away.

She watched for him day and night,  
She kept all the campfires bright,  
And under the sky, each night she would lie,  
And dream about his coming by and by;

But when all the braves returned,  
The heart of Red Wing yearned,  
For far, far away, her warrior gay,  
Fell bravely in the fray.

## Rocky Top - Key: G

Ain't no smoggy smoke on Rocky Top, Ain't no telephone bills;

Once I had a girl on Rocky Top, Half bear, other half cat;  
Wild as a mink, but sweet as soda pop, I still dream about that;

### Chorus

Em                    D                    F                    C  
Rocky Top, you'll always be, home sweet home to me,  
C                    G                    Em                    D                    G  
Good ol' Rocky Top, Rocky Top, Tennessee,  
Em                    D                    G

Once two strangers climbed old Rocky Top lookin' for a moonshine still  
Strangers ain't come down from Rocky Top, reckon they never will.

Corn won't grow at all on Rocky Top, dirt's too rocky by far,  
That's why all the folks on Rocky Top, get their corn from a jar.

### Chorus

Yeah I've had years of cramped up city life, trapped like a duck in a pen,  
And all I know is it's a pity life, can't be simple again.
